Teaser Script 1

GAIUS	Right, you listen to me, Mark: we are not invading Egypt.
MARK	But I want to!
GAIUS	No!
MARK	Look, we need food and gold, and we need them from Egypt. So why bother with the chitchat when we can head to Egypt and get it sorted the old fashioned way?
GAIUS	You mean blood and violence.
MARK	It's a classic but it works.
