Take 1. [small thud]

Fu-(beep).

Take 1.

[Show Theme - Intro]

HELEN

Rusty Quill presents Enthusigasm.

Hello Folks. Today on Enthusigasm, we've got some out takes from you from our first public season. Hope you enjoy!

[Intro 'pop']

Rusty Quill Enthusiasgasm – Season 1 Out takes

(Laughter)

HELEN

There we go. There we go. A little quiet me. Sorry, Editor, as you probably will have been able to tell by the raucous laughter, this is Helen ...

[Intro 'pop']

TAI

Should I pause my recording while I'm going to go get a drink and...

HELEN

Oh no, don't bother to pause the recording.

TAI

Okay cool.

MARTYN

Now we might do some ... we might do something funny during this time and then we'd miss it if it wasn't recorded!

HELEN

Yeah, it would be a blooper!

Rusty Quill Enthusiasm – Season 1 Out takes

MARTYN

Yeah.

[Intro 'pop']

HELEN

Yeah, are you ready for this?

MIKE

Yeah, I'm ready for this!

HELEN

Sitting on the edge of your seat.

MIKE

Liz?

LIZ

Yeah?

MIKE

We're doing it! We're doing Enthusiasm!

LIZ

Yeah, it's definitely less scary with less of us here to take the pressure off.

Rusty Quill Enthusiasgasm – Season 1 Out takes

(Laughter)

HELEN

OK, I'm good..

MIKE

Yes!

[Intro 'pop']

HELEN

We'll start with (sirens in background) Whoops! Siren!

BETH

(Coughs) Good time to cough.

CALLUM

They knew we were talking about Jazz and they were like, that can't stand!

(Laughter)

HELEN

No jazz for you!

(Laughter)

[Intro 'pop']

(sound of a siren)

HELEN

Sorry, I'm just waiting for the ambulance or whatever it is.

[Intro 'pop']

MADDY

Ah! Scream very loudly and then be very quiet.

(Laughter)

HELEN

Wonderful. Alright. That looks good. I am not peaking. (sound of sirens) It looks like ... but I am ... immediately sirens outside.

NATHAN

You are going to jail. I'm sorry.

HELEN

Yes. Yeah.

[Intro 'pop']

Rusty Quill Enthusiasgasm – Season 1 Out takes

HELEN

Once I start recording audacity my laptop goes ‘Oh I’m awake now’ and goes ‘merrrr’ (makes gravely noise) for the rest of the hour. So it’s probably that.

KATIE

That’s, that’s a nice solid beefy sound. Mine just goes ‘mewww’. (makes a high pitched mewling sound)

(Laughter)

LOWRI

Mine’s more exhausted like ‘Aaaarrh’ (makes low breathy exhale).

KATIE

‘Come on, come on, I must go on’.

(Laughter)

[Intro ‘pop’]

ANNIE

Turned off dropbox ... turned off ... yes, I have an extra bar!

ALL

Yay!

Rusty Quill Enthusiasgasm – Season 1 Out takes

ANNIE

Wait, no it went down! What I do? Did I do something... come back!

(Laughter)

HELEN

Ah, we've entered bargaining!

MARTYN

Yep.

(Laughter)

[Intro 'pop']

HELEN

Ok, are we all ready for a silence marker?

TESSA

Yeah, I might have to sneeze soon though. I'm trying to decide if it's going to happen or not.

(Laughter)

TESSA

I think it's not going to happen. I think it's fine.

Rusty Quill Enthusiasgasm – Season 1 Out takes

HELEN

Ok. Alright.

[Intro 'pop']

FAY

Ok. Can I just blow my nose and I'll take this off so you can't... I'll mute so you can't hear me. I'm so sorry Editor, this is not a great noise, but honk!

(Laughter)

NEMO

Oh! That's my kink listening to people blow their noses directly into the microphone.

HELEN

That'll be ... it will be someone's kink.

NEMO

Yeah, probably.

[Intro 'pop']

TESSA

Sorry [coughs] ...

Rusty Quill Enthusiasgasm – Season 1 Out takes

HELEN

Oh, are you ok?

TESSA

I just choked on my water.

JEFFREY

Everyone's still breathing?

TESSA

I'm ok.

HELEN

Are you sure?

TESSA

Yeah.

HELEN

Oh no!

GAVIA

Baby!

Rusty Quill Enthusiasgasm – Season 1 Out takes

JEFFREY

The ripper got her.

(Laughter)

HELEN

Oh no, I hope not.

[Intro 'pop']

HELEN

I also have a positive view on why we all find aliens fascinating. And I also have ... no, I'm not going to get thirsty about aliens actually. I'm just going to drink my water!

(Laughter)

HANNAH P

Helen!

HELEN

I'm still playing mass effect!

HANNAH P

Ah, we're all still mass effect in our hearts!

(Laughter)

Rusty Quill Enthusiasm – Season 1 Out takes

ALEX

Didn't you know, aliens are just the person of your choice but blue!

HELEN

Yes!

[Intro 'pop']

TAI

That was another, Helen, speaking of famous tumble posts, I have definitely seen one recently where someone said 'ok, but one of the issues we'd have if we met aliens is holding back the hoards of people that want to have sex with them.

ALEX

And that's why we're quarantined. Humans are gross!

HANNAH P

That's why we're in the wildlife preserve!

ALEX

Humans are gross!

CATHY

Oh man, that's ...

(Laughter)

HANNAH P

...that makes a lot of sense.

ALEX

All the rest of the universe are just like, 'I don't, I don't know what to do with this. I'm not ready for that first contact.'

HANNAH P

They say like Tumblr and went 'urgh, I don't know'.

ALEX

They're just procrastinating. They're going to get round to it, but they're just like I just can't face that right now. There's a lot going on in the universe.

HELEN

We're like the universe's equivalent of like a teenager in their room and they're like, 'don't want to go in there actually.'

HANNAH P

Don't want to do that!

HELEN

Yeah, they'll come out when they're ready!

Rusty Quill Enthusiasm – Season 1 Out takes

HANNAH P

Oh man!

(Laughter)

TAI

That's it. The aliens are waiting for us to come out when we're ready.

HANNAH P

They'll figure it out eventually. We just got to be patient.

(Laughter)

[Intro 'pop']

LEX

Did we, did we completely throw you for a loop by not being Loki-versed? It seemed like you were getting really excited with... (laughing)

HELEN

I am excited about Loki.

CATHY

It's easy to get excited about Loki period.

Rusty Quill Enthusigasm – Season 1 Out takes

HELEN

It is.

[Intro 'pop']

HELEN

Sorry, we'll have to cut all this is out. (laughing) This is just me reading out titles of a YouTuber I like!

(Laughter)

HANNAH P

It is all inspiration for future Enthusigasm episodes by the sounds of it!

(Laughter)

GABRIEL

Can this just be the rest of the episode actually?

LEX

Yeah, just you reading out...

HANNAH P

Just Helen looking at YouTube!

Rusty Quill Enthusiasm – Season 1 Out takes

LEX

Yeah!

(Laughter)

[Intro 'pop']

HELEN

Alright. I've just typed in 'The Lion King - Fascism' into You Tube, so....

(Laughter)

HANNAH P

Well have fun with that!

LEX

Yes, you'll get some fun rabbit holes in the weeks to come.

HANNAH P

You Tube will remember this.

CATHY

How often do you clean out your search history Helen?

Rusty Quill Enthusiasm – Season 1 Out takes

HELEN

Probably not as often as I should.

[Intro 'pop']

HELEN

I really want to talk about the devil!

HANNAH P

Hell yeah!

(laughter)

HANNAH P

Ah, I didn't even mean to!

[Intro 'pop']

HELEN

Yeah, we'll do a sync clap, yeah.

MARTYN

You've got a sink to clap?

(slow build from dubious laughter to full laughter)

Rusty Quill Enthusiasgasm – Season 1 Out takes

[Intro ‘pop’]

HELEN

I have not appreciated Shakespeare purely because people kept telling me to appreciate him and I was like ‘no’.

HANNAH P

I don’t want to.

HELEN

I’m not going to pay attention.

HANNAH P

That’s, that’s very valid.

(Laughter)

[Intro ‘pop’]

HELEN

Sorry, I saw you pick up your mug and I was like no, no, we’re just about to (laughing).

JOSH

I’m a professional. It’s fine!

HELEN

Oh, we’re all super professional here!

[Intro 'pop']

ELIZABETH

Hi Elizabe... er, hi editor, this is Elizabeth.

[Intro 'pop']

MIKE

(testing mic volume) Ha! Ha!

HELEN

Looking ok?

MIKE

Yeah, looking sweet. Sweet as a nut!

HELEN

Cool. Sweet as a nut! I never understood that, nuts aren't sweet.

MIKE

No, I know but, I just ... it's just one of those things that I've always said and I've never questioned until this point right now. Why do we say that?

Rusty Quill Enthusiasgasm – Season 1 Out takes

HELEN

I don't know.

MIKE

Is it a sex thing? Could be a sex thing.

(Laughter)

LIZ

Oh God!

HELEN

We're going to do a silence marker!

MIKE

Sorry.

HELEN

No one will talk about nut.

MIKE

Look, I've embarrassed myself ok. We can move forward from this, it's fine.

(Laughter)

[Intro 'pop']

Rusty Quill Enthusiasm – Season 1 Out takes

HELEN

No, no, they smash it. They smash it with a big hammer.

MIKE

Hello. Alright.

HELEN

Hi. Just talking about someone's head.

MIKE

Nice, ok. Yeah, I heard the word smash and I was like well this is going in one of two directions. It's either like a reference to the mash that you make with water or it's heads.

LIZ

Yep.

HELEN

Yeah, it was heads. (Singing) 'For mash, get Smash!'

MIKE

(joining the song) ...'Smash!'

Yeah, with the aliens that look like that were made with two little plates just slapped together with gaffer tape. I'll send you some pictures Lowri, don't worry.

(Laughter)

Rusty Quill Enthusiasm – Season 1 Out takes

[Intro 'pop']

ALEX

(put on creepy voice) Lowri The Watcher.

(Laughter)

[Intro 'pop']

NATHAN

There was like an ish post ... I don't whether I can swear on this podcast or not!

HELEN

I think Lowri recently decided you are allowed to swear but keep it to a minimum because we have to go back and bleep it...

NATHAN

Absolutely, absolutely!

HELEN

... and Lowri is the one that has to find the time stamps (laughing) for every swear.

[Intro 'pop']

MIKE

Actually, just on the Owen Wilson point, I've been watching so much fu(bleep)ing Cars recently because my housemate and my sister have been on a Cars kick and I didn't realise that the fu(beep)ing CEO guy from Cars 3 is none other than ... ah, God, no! His name has just gone out of my head. Nathan Fillion. Is in a Cars film. Go figure!

[Intro 'pop']

HELEN

I'm going to have a little drinky.

TIM

Fluids, fluids all round.

HELEN

Yes, fluids are good. We enjoy fluids.

TIM

Mmhmm. Lubricates the palate. Oh yes, oh my! I upset all the classes I teach!

(Laughter)

TIM

Ooh, my. Hello my name is Professor Rambunctious Humpus!

Rusty Quill Enthusiasgasm – Season 1 Out takes

[Intro ‘pop’]

HELEN

Alright, I’m going to say we’re in a break now. Feel free to go get a drink, have a pee...

TIM

Both at the same time?

(Laughter)

LYDIA

Oh, that’s why you’re standing up! I understand now!

(Laughter)

TIM

Yeah, yeah, yeah. (Puts on a sales-pitch voice) ‘The patented urinal desk, you can do both!’

GABRIEL

King of efficiency. It’s Tim Meredith.

[Intro ‘pop’]

Rusty Quill Enthusiasgasm – Season 1 Out takes

HELEN

In various points, when I've like just been referencing you and you haven't been there, I have bullied you a little bit and you've never noticed.

LYDIA

You mean the bits ... the bits where you say horrible things about Tim and he's not there. He's never noticed?

(Laughter)

TIM

Yeah oddly I didn't actually pick up on that, what with not being there and all. 'Tim smells! Anyone else ever think Tim smells?' 'Yeah, I always thought that!'

(Laughter)

TIM

Good guy.

HELEN

I've just been like if I've been streaming and I've just been rambling on about some nonsense or I'll be talking about...

LYDIA

Do you (beep) talk about Tim about stream?

Rusty Quill Enthusiasgasm – Season 1 Out takes

HELEN

A little! Only a little!

TIM

(Puts on cockney accent) What I did I do? Come at me Helen! Come on!

(Laughter)

TIM

Come on, what's your beef?

HELEN

Nothing!

[Intro 'pop']

HELEN

No. Do not insert lightbulbs anywhere into yourself or other animals.

TIM

Coward.

LYDIA

What's that thing ... outside of a dog, a book is a man's best friend. Inside of a dog, it's too dark to read but it should stay that way, don't put a lightbulb in there.

Rusty Quill Enthusiasgasm – Season 1 Out takes

(Laughter)

TIM

The full phrase.

I believe it was Chaucer who said that.

(Laughter)

[Intro 'pop']

GABRIEL

Before we go, Colorado Tim is going to give us a sign off in perfect Italian...

(Laughter)

TIM

Ok. Umm, so...

HELEN

No, no, no!

TIM

Alright, err, so...

HELEN

No! No!

[Intro ‘pop’]

TESSA

(Testing mic) Beep, beep. Ahah, wow! Ah. It’s Tessa. I’m recording the Pets Enthusigasm episode. I hope that I will be editing this one because it’s pets.

LYDIA

Hi future Tessa. Hello.

(Laughter)

[Intro ‘pop’]

HELEN

We’ll go alphabetically. So, Lydia, I’ll ask you first to introduce yourself. And I’ll be asking you for your pronouns. As in general you, I ask everybody for their pronouns on the podcast.

LYDIA

Only in me! Only I, only I’m allowed pronouns. Everyone else is referred to exclusively by their name.

(Laughter)

HELEN

Exactly.

[Intro ‘pop’]

TESSA

I'm sorry future Editor, I'm about to put on my sweater, so there's going to be a bunch of cloth rustling.

(Laughter)

HELEN

That will be foley for when someone has a kiss.

[Intro 'pop']

HELEN

We are all performers in the great play of life. Don't mind me. I'm in such a weird place right now.

MABEL

It's like a wonderful unique take on all the worlds a stage.

(Laughter)

MABEL

That is a very famous quote.

[Intro 'pop']

Rusty Quill Enthusiasm – Season 1 Out takes

TESSA

I think that this is the most hectic recording I've ever participated in.

HELEN

Oh, we've had worse. We've had worse.

LYDIA

I mean we've certainly had one chicken. I can get more!

(Laughter)

[Intro 'pop']

ANNIE (???) 12.22

Listen for the human teeth. Lots of teeth. Sharp pointy teeth.

[Intro 'pop']

SUE

I had 40 plus years in the classroom and an awful lot of that time you are basically saying in all sorts of ways, none of which are in words, you do what I say. I'm the boss. You're not.

TESSA

Mmhmm. Yeah.

SUE

Actually, if I can think of my pupils as chickens, it might be quite helpful really.

(Laughter)

[Intro 'pop']

NEMO

I find, finding it kind of funny because ... so this week ... the reason I'm in this like weird space, I'm in a warehouse right now. We're like rehearsing a ... we're doing an RND of a play and it's a really cool play and half the cast are deaf actors and so like this entire ... the last two weeks, like when I laugh I've been like slapping my knee to show that I'm laughing and I'm really like trying to just like slap myself

(Laughter)

NEMO

...sorry Editor, it's like bam, bam!

[Intro 'pop']

HELEN

What is ... oh, its just a thing in my hair. Sorry. I got really confused. I was like what is that. But I tied my hair up and I forgot!

(Laughter)

[Intro 'pop']

JONNY

Now I heard it about eggs being like, all these eggs have like liquid plastic in them and it's like, it would be so much more expensive to do that than just to get some eggs.

(Laughter)

APRIL

I know right, and also, like people that did have like ... there's more plastic in Kraft cheese.

(Laughter)

FRANK

No you don't understand how fat content in cheese works. That's what that is.

APRIL

Yeah!

(laughter)

[Intro 'pop']

HELEN

Wonderful. Beautiful. Excellent. Thank you. Alright. Are we...

(Laughter)

HELEN

Leave me alone!

(Laughter)

JONNY

No one said a word, Helen. No one said a word.

(Laughter)

[Intro 'pop']

FRANK

Hey, it's me, it's Frank. I'm sorry, everything around me is loud. My neighbours ... loud ... my chair ... loud ... my PC ... loud. One of my fire alarms does not have a battery in it so I'm trying to pre-empt that as I record.

[Intro 'pop']

HELEN

You didn't get me rolling sideways out of shot...

Rusty Quill Enthusiasm – Season 1 Out takes

HANNAH P

That was awesome.

[Intro 'pop']

HELEN

Oh yeah, if you've not been in a recording with me before, my set up means that I am tucked in underneath a table and so, so like I have to like swing my legs sideways, like inch out.

(Laughter)

[Intro 'pop']

HELEN

I'm feeling like slapping myself in the face. Ok.

APRIL

Don't do that!

(Laughter)

HELEN

To wake myself up!

Rusty Quill Enthusiasm – Season 1 Out takes

APRIL

Like we're all that horrible? Jeez!

HELEN

(laughing) No!

HANNAH P

'I just don't want to be here with these people.'

(Laughter)

[Intro 'pop']

HELEN

Ok.

MARISA

I'm not sure.

(Raucous laughter)

MARISA

What was that?!

Rusty Quill Enthusiasgasm – Season 1 Out takes

HELEN

That was LeBron James I think!

BRYN

There's a button you can click in Skype...

MARISA

Oh! I must have pushed a button on my keyboard. I'm sorry!

PAUL

Yeah, I just did LeBron James too!

(Laughter)

HELEN

No! (helpless with laughter) No! This is a very serious podcast! Stop emoji-reacting on the Skype call!

(Raucous laughter continues)

MARISA

Oh no!

HELEN

Lowri, I'm so glad this is being recorded on Skype. We've got to keep this as a blooper.

PAUL

That hand gesture looks obscene. I don't like that.

MARISA

I completely lost my train of thought. What were we talking about?

BRYN

It's the space episode. That's space jam emotes, it's perfectly on theme.

[Intro 'pop']

MIKE

Thank you for editing my audio and I'll speak to you sometime. Ok. Bye.
Thanks.

(Laughter)

[Intro 'pop']

HELEN

Ok. I'm instantly regretting everything I've just said. Imagine that Tom Hardy meme.

Rusty Quill Enthusiasm – Season 1 Out takes

HANNAH P

It's all on video Helen!

(Laughter)

[Intro 'pop']

HELEN

And that's all for this week. See you next time.
