

OF THAT COLOSSAL WRECK TRAILER

RILEY

What if we missed it? What if everybody else did wake up, took off to rebuild on some distant world.

What if we've been left behind?

ANNOUNCER

From the creators of The Magnus Archives, comes a new horror podcast. Subscribe to Neon Inkwell to join us on humankind's last hope, the Ozymandias generation ship.

COMPUTER

Humanity's will to survive and explore has triumphed over the vastness of space. And now we will triumph over time, with the Ozymandias project...

(Fading to be underneath the dialogue below)

LEVI

Grrr!

RILEY

Hey Hey! Careful!

LUNA

Levi? Are you alright?

RILEY

Remember last time, when one of these things caught fire?

LEVI

None of this makes any damn sense! We were supposed to wake up together. All of us!

RILEY

Maybe the system decided to
stagger it?

LEVI

No, it wouldn't work like that.
There are meant to be thousands
of us, hundreds of thousands,
all at once.

ANNOUNCER

**What if you awoke, only to
discover your future was already
sabotaged?**

LEVI

What's wrong?

MIRA

There's, uh, a lot of the stuff
in here is... broken.

RILEY

That's not broken. That's smashed.

MUSIC SHIFT

MIRA

How old is it?

ZACK

Old.

MIRA

Anything more specific?

ZACK

Only that no one could lose this
much blood and live.

ANNOUNCER

**And in our search for a new
home, what if something truly
monstrous finds us first?**

Whistles apparent, music builds to climax

MIRA

You hear it too, don't you?

LEVI

Don't move.

ZACK

Mira, what do we do?

MIRA

RUN!

Transition music to:
